BE INFORMATION LITERATE

WHAT IS INFORMATION LITERACY?

This is the set of skills needed to find, retrieve, analyze, and use information effectively and productively.

These information could be where the closest Chinese restaurant is located or when the next train or bus leaves the closest stop to your current location.

HOW DOES INFORMATION LITERACY PAINT THE COLOR?

As an incoming freshman, you are faced with tonnes of issues that require getting information off the internet. Information literacy is the key to effective information retrieval which in turn will help:

IN SCHOOL: Makes school work easier, Better Grades, Resume Builder

IN LIFE: Smarter Decision making, better person,
