About our school

Cheder Lubavitch provides boys and girls, preschool through eighth grade with a full Torah education.

Founded under the direction and blessing of the Lubavitcher Rebbe, Rabbi Menachem Mendel Schneersohn, obm., Cheder Lubavitch of Morristown has grown from a one-room schoolhouse to an institute accommodating over 200 students. Located on the beautiful grounds of the Rabbinical College of America, Cheder Lubavitch is one of the most highly praised traditional Jewish schools in the Garden State.

Cheder Lubavitch emphasizes a traditional Jewish curriculum. The curriculum includes the study of Chumash, Mishna, Gemorah Jewish Law, Jewish holidays, Mitzvot, Chassidic thought, Prophets, and history. The girls’ curriculum also includes secular studies and computer lab work.

The faculty, headed by Rabbi Zalman Leib Markowitz, and Mrs. Chani Goldberg is comprised of experienced, well educated, certified and highly dedicated teachers. Each one of them serves as a positive role model for their students in how to live responsible Jewish lives imbued with Chassidic warmth.
Since its inception close to 30 years ago, Cheder Lubavitch has graduated students who have gone on to become the Jewish leaders of tomorrow. Indeed, the school has produced synagogue Rabbis, Chabad House directors, teachers, principals and administrators, who hold positions all over the world. *Cheder Lubavitch may educate locally, but the impact is felt globally!*

Cheder Lubavitch is also your future. No matter what your connection to Cheder Lubavitch is, you can be part of a school that has an impact on the Jewish world. You can help shape the future. By supporting our school you are helping to build the next generation of committed Jews who will enhance and enrich the world.

The Chinese Auction committee on behalf of all of the parents and children of the Cheder, want to express their appreciation to the administrators of our Cheder, Rabbi Zalman Markowitz, Rabbi Mendy Solomon and Mrs. Chani Goldberg for their hard work and dedication throughout the year.
