The exam titled as "**CS101/012 First Exam**" is added into ProcturU platform for your CS101 class. This notice is a notification for the exam. Please follow the instructions shown below. The ProctorU will send its invitation soon.

To use ProctorU for online exam, you need to:

1. **have a laptop with a webcam or an external camera. If you don't have a webcam, borrow one.**

2. **set up an account on ProctorU ASAP, because it takes up to 48 hours to activate the account.**

3. **A late fee of $5 will be charged on you if you do not registered 72 hours prior to the exam time.**

Due to technique issues, you are asked to log into ProctorU earlier before the exam can be started. How early?

**You will be asked to show your surroundings to ensure it is clean of extra materials that might be used in the exam.**

**That's the reason why you need a webcam, so you can show that you are alone, you can have only pens/pencils and a few blank scratch papers with your, and nothing under the table.**

**And they also need to ensure that you don't have any extra software is running in your computer.**

Because it's a tiresome but needed procedure and it might take up to 3 minutes or more for each individual to admitted into exam. So you need to make an appointment within the time window when you register to the exam.

**Be enter the exam platform earlier.**
